Dear Mark:

Dear Mark,

I am writing a recommendation letter for Joan Dimaano.

I am writing

Joan has been taking care of Mom, Janet Nathason, since about the middle of November on a three day weekend shift. She has provided outstanding and compassionate care and is a wonderful asset to your home care business. She is reliable, cheerful and clean, has a great sense of humor with Mom, remembers what she is told, and she is patient and yet very efficient. She works very well in communicating with Brigid, our "case care provider" and friend. She is attentive to Mom's needs and anticipates the needs.
